

## Directions to Ivey Lodge at Camp Glisson

From the Gold Museum/Old Courthouse in downtown Dahlonega, go approximately 200 yards on East Main to the first traffic light & turn left onto North Grove St. (also old Hwy. 19 North towards Blairsville).

Continue 1.9 miles and Ace Hardware will be on your right. Turn left across from Ace onto Camp Glisson Road. There should be a Trout Unlimited sign pointing the way at this location.

Follow Camp Glisson Road for .5 miles & you will enter the property. There will be a gate at this location. The gate should be open, but if it is closed, follow the instructions on the key pad & tell the operator you are with Trout Unlimited & they will open the gate.

Continue to the top of the hill where you will see another Trout Unlimited sign pointing down hill & through another gate. Same instructions as the first gate.

Continue on & follow the TU signs through the complex. When you cross the narrow bridge, continue another 100 yards & Ivey Lodge will be on your left.

If you experience any trouble finding the location, call & we will assist you.
