At every regular chapter meeting there will be a raffle for fishing or camping items. Fundraiser money is used for projects on education, restoration and helps promote

our vision. Bring an item to donate and a dollar or two for raffle tickets – it's FUN and you might win something.

We also do "FLYSWATTERS" You bring two flies that you have tied or bought, one fly is donated to the chapter for a future raffle at the cookout; you will receive a ticket for the other fly which is placed on the FLYSWATTER. The Flyswatter Flies are raffled that night. Tickets may be purchased for \$3.00.

### **Chapter Report**

LOOKING AHEAD TONEXT MONTH WILL BE THE ANNUAL CHAPTER PICNIC THIS YEAR TO BE HELD AT "CAMP PININEER" LOCATED ON HWY 9 JUST SOUTH OF HWY 52 WEST TURN OFF HEADING SOUTH OUT OF DAHLONEGA.

Hey Folks! Hope everyone is having a great summer. We will be back at Camp Glisson for our August and September meetings. No Tuesday night meeting in October, we will have our Family Cookout on Saturday, 3 October, then its back to regular Tuesday night meeting in November. The officers and board members met Monday night and they are working hard to keep our chapter active. New officers and board members will need to be elected into office by October. We'll need a president, vice-president, secretary and at least two new board members; I will be expecting some

volunteers and nominations for these positions at our August/September meetings. Next meeting, we'll have a little presentation of the history of our chapter. In September, we'll have map orienteering, or whatever you call it. Bill said he would show me how to read a compass and not get lost in the woods. Don't forget to buy some raffle tickets for the Tom Landreth print. Also, we'll be needing bucket raffle and auction items for the Family Cookout in October. These items can be store bought or hand made. All donations are tax deductible. Even donations like paper plates, cups, drinks, coleslaw, meat and beans, helps boost the profit of this fundraiser. Remember the mission, and sorry folks but it takes time and money to protect those little fishes that we so like to flick our fly's at. FISH ON!
